## **PRESIDENT'S MESSAGE**

### **BOB CABLE**

As the craziness continues throughout our nation and people are getting more and more upset about whatever position you take, let us stop. Breathe, take a minute and see what is going to affect us in our community.

As everyone should recall the San Antonio Heights Association took a position of opposing annexation into the FP-5 “tax” district. Through our legal action against the County of San Bernardino we all, and I mean all property owners that were annexed into the FP-5 district received a two-year refund plus interest. There is now a ballot measure that will put this illegal tax to the vote of the people affected. As president of the San Antonio Heights Association I would urge you to vote YES on Measure U. This would eliminate

the illegal additional tax that was imposed on us.

Our fire service has been impacted. We now “share” station 12 with the residents in north Upland and should not have to pay more for less. This is not to say that we do not love our men and women in the fire service. We have always and will continue to support them. This is a county administration issue that the Board of Supervisors needs to solve through their own budgeting, and not on the backs of those that already pay for fire service through their taxes. If you would like additional information on this issue, I would urge you to visit the website [www.redbrennan.org](http://www.redbrennan.org) and click on the “repeal FP-5” tab.

As we wait for the “all clear” and things to get back to normal. I hope that everyone is “staying safe” and trying to keep cool. Remember none of this makes a difference if you are not here to enjoy life!

**SAN ANTONIO HEIGHTS – STATION 12**

**“2020 (January-June) CALLS FOR SERVICE” REPORT**

TYPE OF SERVICE CALL	NUMBER OF RESPONSES	
	1/1/19-6/30/19	1/1/20-6/30/20
Fire 3	3	5
Fire Alarm	6	4
HazMat	1	1
Medical Aid	177	178
Powerline Down	2	5
Public Service/Other/Misc.	9	7
Rescue	1	0
Traffic Collision	1	3
TOTAL SERVICE CALLS	200	203
These stats also reflect responses to SAH by other fire units in the Battalion when Medic Engine 12 was on a different emergency.		

**WELCOME “MIKE PARSONS”  
FIREFIGHTER-PARAMEDIC**

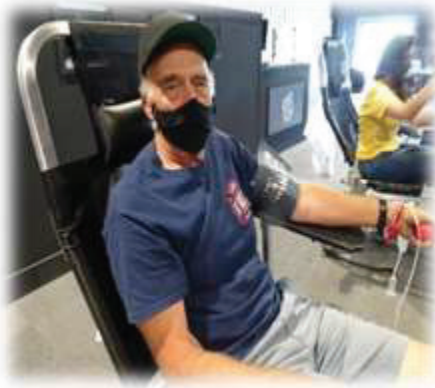

IT IS OFFICIAL! Battalion Chief Serrano announced that Captain Shipway’s new firefighter-paramedic passed his probationary testing and is the newest member to the Crew at Station 12. He also invited residents to drop by to meet and congratulate Mike.

The above stats provided to us by Battalion Chief Serrano and gives us a comparison of the most recent six months and the same period a year ago.

## COMMUNITY RED CROSS BLOOD BANK HELD AT LIFE BIBLE FELLOWSHIP CHURCH

I met with Kim Cook, Member of Life Bible Fellowship Church (LBFC) and Coordinator for the Red Cross Blood Bank, held at LBFC and she welcomed me with a brief tour and explained how the process works. We are sure there were many other Heights' residents who willingly donated

blood that day, but, when I arrived, I spotted Cindy Wirth, a SAHA Board member and Tom Antola, SAH resident, giving blood and Katie Hawthorne, SAH resident, happy she was finished but took a moment for her photo with one of the Blood Bank volunteers.

Kim told me Life Bible welcomes the Red Cross to use their facilities several times each year. On this occasion LBFC had combined the Blood Bank along with a Drive-thru Donation Station where they collected specific items to be distributed to shut-in seniors in this area. This was especially important in May because extra blood was needed because of COVID-19. Donations were also being

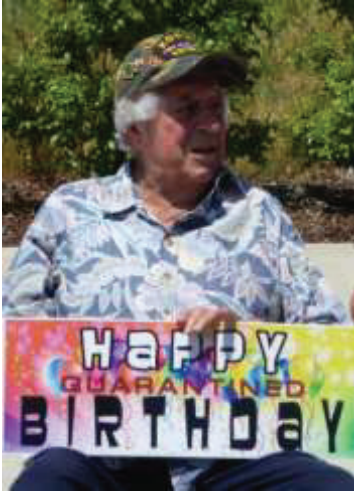

coordinated and supported by Foothill Family Shelter, Inland Valley Hope Partners and Gibson Senior Center.

Our thanks to Cindy, Katie, Tom, and other residents who donated blood or made donations to help seniors in this area. Another Blood Bank was held in August and if you are interested in donating at future Blood Banks, you can contact LBFC at (909) 981-4848 to find out when the next one is scheduled. SAHA is incredibly pleased to be associated with LBFC as they have been very generous, helpful, and supportive at our events.

**MISSION STATEMENT:** Our Association was formed to protect the interests of San Antonio Heights' homeowners and residents. SAHA communicates and cooperates with the many organizations that render us critical services. Our members' diversified experience is being employed to research vital issues. Our goal is to work with all parties concerned to expedite mutually beneficial decisions on matters of social welfare impacting the Heights.

## BIRTHDAY CELEBRATIONS REMEMBERED

**May 4<sup>th</sup> - Tony Zummo celebrated his 90<sup>th</sup> Birthday** with a surprise “Drive By” with over 40 vehicles filled with family & friends. After weeks of anticipation of a formal dinner planned for this day, his wife, Francesca, cancelled the party – giving in to the demands and safety prevention of the Coronavirus. Tony and Francesca moved to the Heights in 2000 and became involved with the Community by volunteering with Citizens on Patrol and membership in SAHA. Tony was a real trooper as the decorated cars kept coming with family, friends, laughter, cute posters – Tony was enjoying everyone who had come to share his birthday.

**August 16<sup>th</sup> - Laurna Slack’s 75<sup>th</sup> Surprise Birthday Tea.** Laurna’s two daughters, Danielle and Nikki, and their children hosted this wonderful, over the top, Tea, with freshly prepared sandwiches, croissants, cookies, cake, and more. Laurna looked beautiful as she entered the room totally holding her composure as you could tell she was clearly surprised. The family had every detail in place, and everyone had so much fun. Thanks to Laurna for sharing her 75<sup>th</sup> Birthday with us. Betty Garrison with Laurna (picture), long-time friends from living in the Heights, Bunco, Tea’s and their motorcycle riding days. It was a fabulous event. Laurna also hosted a wonderful Tea in 2012 for the San Antonio Heights Association during its 125<sup>th</sup> Anniversary Year.

## GIUSEPPE'S RESTAURANT

On August 11<sup>th</sup>, after not dining out for months, I invited my daughter, Jill, and family to dinner and we decided to go to Giuseppe's, since they now have the new patio dining set up outside to meet CoVid regulations. We ran into Heights' long-time residents, Dan and Suzanne Farris. Dan has lived in the Heights since a teenager and after Dan and Suzanne

(from Louisiana) married and this is where they raised their family, three boys who now grown. Dan and Suzanne have been active Patrons of the Association and have regularly attended our annual meetings and events. Dan was also active with the first CERT training group.

It was evident that Mac, the owner of Giuseppe's, had worked hard to meet all standards to provide excellent service, and the weather was wonderful. I would highly recommend you check Giuseppe's out if you have not already. Mac, also, has been a loyal friend of the Association, and as far back, as I can remember, donated the delicious pizzas served at our Annual Meetings.

**SAN ANTONIO HEIGHTS ASSOCIATION**  
**2020 MEMBERSHIP**

Our thanks to everyone for the early donations for the 2020 calendar year. The list below are residents who donated from September 1, 2019 to August 31, 2020. The donations received are for the 2020 membership year.

# OBITUARIES

Dear Neighbors,

Fortunately, we have not heard of any deaths from the coronavirus of residents from the Heights, but sadly we have lost several residents this past year. Although obituaries are published in the Daily Bulletin newspaper, we understand there are not that many newspapers delivered now in the Heights and thought you might not have known. We are including several that have been brought to our attention.

## CHARLES (CHUCK) LAWRENCE KEAGLE, III

Chuck Keagle, age 79, passed September 18, 2019, at San Antonio Hospital. Chuck bravely faced his cancer diagnosis and fought valiantly for 15 months, defying the survival statistics. His wife, Linda of 54 years, was by his side. Chuck was born on January 1, 1940 in Los Angeles, the son of Charles Lawrence Keagle II and May King Louie. The family moved to San Dimas in 1947 and Chuck stayed close to the area for most of his life. Chuck attended San Dimas Grammar School and graduated from Bonita High School in 1957. He remained close to his Bonita classmates. After high school, Chuck enlisted in the U.S. Marine Corps. His recollections of boot camp were vivid. Being a good storyteller, he enjoyed sharing humorous anecdotes of that time. His talents as a hurdler qualified him for the Marine Corps Track Team. Chuck traveled across the country, setting All-Marine records. After his 2-year Marine enlistment, he attended Mt. San Antonio College, continuing to

break records as a member of the track team. A college scout from University of Colorado saw him at the Mt Sac Relays and offered him a generous scholarship to join their track team. Chuck went to Boulder and joined the team as a friend.

Chuck graduated in 1963 with a degree in business & accounting. After college he returned to San Dimas, got his first job at Case, Hardy & Associates in Pomona and met a young teacher from Illinois--Linda. After a whirlwind courtship, Chuck and Linda married July 10, 1965. Together,

they embarked on a lifetime adventure that has included four children and a restaurant empire. Soon after, Chuck decided he would rather hire an accountant than be one. With limited restaurant experience and an idea for a steakhouse that was new and different, Chuck and Linda opened the Cask n' Cleaver in a rustic old ranch house in Cucamonga (formerly Casa de Mayo) in 1967. Located in a remote area of old Cucamonga, the story goes that they returned to sign the lease and had to go to a gas station for directions. Often their customers would do the same. Surrounded by vineyards, wine and grapes became their theme. Chuck bought local wines for the restaurant, and developed friendships with the vintners and growers, in the last flourishing years of the Cucamonga Wine District. This interest would grow to an appreciation and depth of knowledge about wines far beyond just Cucamonga. The original Cask 'n Cleaver celebrated 52 successful years last summer.

In 2001, they assumed ownership of the Sycamore Inn, a landmark restaurant on historic Route 66. The Sycamore had special significance to them. Before they were married, they had enjoyed their first date there. This decision has turned out to be an exciting opportunity to host many new and familiar guests. Other restaurants they have operated include El Gato Gordo and Lord Charley's, both on Foothill Boulevard in Upland; also, several Cask n' Cleavers throughout California. Chuck loved great food and wine. His love of the grape led to his 30 years involvement as a wine judge for the LA County Fair. He especially loved giving wine seminars to fair-goers every year. He also judged at the National Orange Show, and New World Wine Competition. Chuck developed an interest in farming avocados, leading to the purchase of land in San Antonio Heights. He and Linda built a home on a portion of the land, and planted 800 avocado trees on the rest, with the help of their young son Charles. His children and then grandchildren will never forget his hair-raising tractor rides around the grove, sitting in the scoop.

Chuck served as a director of the California Avocado Commission. Chuck has served on the board of directors of the California Restaurant Association, the board of advisors of Cal Poly Pomona Collins School of Hospitality Management and was a member the Rotary Club of Rancho Cucamonga for 30 years. Chuck loved to share his knowledge of steak, avocados, and wine (especially Pinot Noir) for all who would hear. He and Linda were avid skiers; he did not retire from skiing, until forced to by declining stamina from his cancer. He and Linda especially love road trips off the beaten path.

Chuck's fascination with the world was infectious. Chuck had a passion for life and a curiosity that kept him avidly reading. His interest in military history and love of jazz have been passionate interests since he was teenager. His infectious smile and wit will be greatly missed by his family and friends, as well as his many employees and loyal customers. He would most appreciate if his friends "raised a glass" in memory of him. Chuck is survived by his wife, Linda, four children and their families and six grandchildren.

While living in the Heights, Chuck and Linda have always been supportive by donating sausages to the COP Breakfast events each year, member of the SAHA Association and spoke on behalf of the Heights during the final meeting with LAFCO at Upland City Hall.

## SHIRLEY WEILAND WALLER

Shirley Waller, age 93, passed November 16, 2019 at home. Shirley was a true native of this area, born in Upland in (a vastly different) San Antonio Hospital, lived in Ontario for 22 years, Upland for 68 years and Mt. Baldy for 3 years (for their daughter's health-asthma). She attended Chaffey High School and Chaffey Community College. Shirley's true passion was the love of her family, friends, and animals. She traveled the world with her husband, J.T. of 71 amazing years and they had many wonderful adventures together. She was involved in many charitable organizations and enjoyed helping others. Shirley is survived by her husband J.T. Waller, her two children and their spouses, Rod Waller (Lynette) and Allison Sparrow (Robert); four granddaughters, Jennifer, Carrie, Rachel, and Holly, eight great grandchildren, Keegan, Cameron, Christian, Jaylen, Ryan, Savannah, Harley and Gage, and a newborn great great-grandson, Jameson.

The Waller's have been supportive to the Association with their Patron donations every year. In 2012 Supervisor Rutherford presented us with an opportunity to have full time paramedic coverage at station 12 if we would donate \$50,000 towards the equipment and supplies paramedic program. When we were lingering in the \$40's, the Waller's offered a challenge that they would match donations to take us to our goal and it was exceeded.

## DON DAVIS

Don Davis passed away on May 19, 2020 with his wife Beth and daughter Debbie by his side. He was born on 11/14/1942. He was raised and grew up with his brother Bob, and sister Jeanette (Sheets) in the early lemon grove days of Upland, CA. He often told greet stories of life in the citrus groves and industry. He worked for Frehaul Trailers, Upland Lemon Growers

Association, and then went into a partnership with his late son, Don Jr., at Agricultural Chemicals Marketing.

Don had a passion for cars, building a 1929 T-Bucket Roadster and a 1934 Ford. He was an avid NASCAR fan. He spent most of his weekends at home with his family either in the garage woodworking or outside doing yard work. Don's special gifts to their family were the grandfather clocks, gun cabinets, bird houses, cradles and toy boxes he built that will be passed on for generations. He was a wonderful husband, a grandfather and a kind and patient man. Don is survived by his wife of 57 yers, Beth and his daughter Debbie Davis of Upland, CA and numerous in-laws, nieces and nephews and friends who will miss Don's kindness and gentle nature.

## **HERB ROSENZWEIG**

Herb Rosenzweig, age 76, passed of natural causes June 23, 2020. Herb was a valued member of the Citizens on Patrol for the Fontana Sheriff's Station for more than twenty years and served as Commander in charge for seven years. He volunteered countless hours to the residents of this County and the mission of the Sheriff's Department.

Lieutenant Robert Boyd told us Herb embodied the true act of service in his everyday life. He courageously served as a 1<sup>st</sup> Lieutenant in the United States Army in Vietnam. He carried on with his service actively participating with Inland Valley Hope Partners which is a non-profit organization providing food, shelter, and support services to families in need. One of Mr. Rosenzweig's favorite charities was Sowing Seeds for Life, a non-profit organization offering a food bank for families in need with a special

auxiliary side for families of veterans.

Herb was also a member of the San Antonio Heights Association and Bob Cable, President, commented that he knew Herb to always attend our annual meetings and always willing to give us a helping hand. Herb and his wife, Myra, loved to travel and many of us lived through his experiences he shared about the many cruises in their travels. He is survived by his wife Myra, two daughters, two sons, and ten grandchildren.

## SHEILA STINNETT

Sheila Stinnett, age 77, passed peacefully at home June 26, 2020, after sustaining brain injuries from a fall a few weeks earlier. Born in Montreal, Canada, Sheila moved to San Francisco, where she received her degree as a Registered Nurse before relocating to Southern California. Early in her career she developed a passion for oncology, which ultimately led her to UCLA where she served as a nurse manager in cancer care. She

returned to school, earning a Bachelor of Science in Nursing from CSU Dominguez Hills and a Master of Nursing from UCLA. Sheila was an active member of Sweet Adeline's International for over 50 years, singing barbershop music in various choruses throughout Southern California. When she was not singing, she enjoyed exercising in the pool, knitting, cross-stitching, traveling, watching British procedural dramas, and spending time with her dogs, friends, and family. Sheila also took pride in serving the community as a volunteer for Citizens on Patrol. In all she did, she brought warmth, compassion, reliability, and was committed to getting the job done right. She was always on the go, and up for a new experience. Friends and family will remember her lighting up a room with her sparkling personality and equally sparkling wardrobe.

Sheila was preceded in death by her husband, Bob Stinnett. She will be greatly missed by her three younger siblings, Kevin, Martin, and Karen; her daughter Kelly; and stepchildren Susan, Christine, Dean, and Michelle and their children.

---

Our special message to the families and friends of these wonderful residents Chuck, Shirley, Don, Herb and Sheila - we send our deepest sympathy for your loss. They were wonderful neighbors and they will always be remembered.

The San Antonio Heights Association and Community

## SAN ANTONIO HEIGHTS RESIDENTS HELPING OTHERS

### PAM SCHULZ SEWS 100 MASKS FOR USO

In March I contacted Pam on another matter and she shared with me her latest project. Pam, a long time resident of the Heights and a former San Antonio Heights Association Board member was busy making masks for the veterans. Pam is a member of the Daughters of American Revolution which she became involved with while a Board Member of the SAH Association and her responsibilities with the group grew to where she could only commit to one organization. Pam was always very willing to help with our projects and will still help us out when she can. As our conversation ended, she asked me if I had gotten a mask yet and I said no, it is on my list, and Pam volunteered to drop a couple masks by as she was going my way to drop masks off to someone else nearby. Photo shows Pam at her sewing machine where she made

100+ masks (plus many more for friends and family) to be donated by the DAR to USO.

### JOHN & KAREN CAMPBELL, SAH RESIDENTS, RECEIVE GOOD DEED FROM NEIGHBOR, RIGO VASQUEZ & SON-IN-LAW, STEVE KNOX

On March 1 John and Karen Campbell, 25-year residents in the Heights, had a tree company cut down a large liquid amber tree. John knew he and his son-in-law could remove the roots so had the tree cut to a stub. Little did they know, but quickly realized, liquid amber trees have a massive root system. That night Rigo Vazquez walked his dog past the Campbell

home for the first time in all the years he has lived in the Heights, saw the struggle, and knew the tree was winning. Rigo contacted his son-in-law, Steve Knox, who brought his excavator up from Ontario the next morning, removed the stump, and declined any type of payment. Karen baked cookies and she and John delivered the fresh baked treats to both Rigo and Steve as a big thank you. A close friendship was made through this generous offer of help and kindness.

# Folks GETTING A LITTLE BORED during the CoronaVirus Pandemic

After days of pounding rain in March, 2020, individuals who ventured over to enjoy the walking trail bordering San Antonio Heights on the west were pleasantly surprised to see the Cucamonga Canyon crosswalls full of water. A sight we had not seen for several years. The newly cleaned and rejuvenated crosswalls were full after years of SAWCo's multiple attempts to get approval from officials to have the crosswalls cleaned out so the water could be captured for percolation.

If you have not visited this area, it can easily be reached from the gates at the cul-de-sacs at west 24<sup>th</sup> and 25<sup>th</sup>. The area is not open to the public where the crosswalls are located and it has become necessary for SAWCo to post "No Swimming or Rafting" signs to protect our liability.

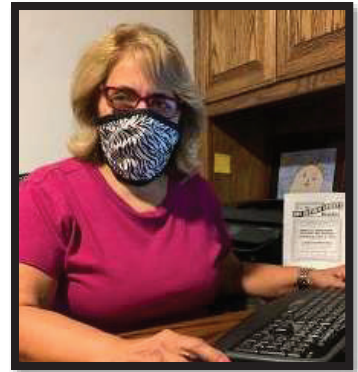

Oops, here comes a couple of folks with their rafts. They must have made a wrong turn looking for the beach and ended up at the deadend of West 25<sup>th</sup>. We might also mention the first set of signs posted were removed. We will leave you with a recent photo of crosswalls now and we can ALL hope for more rain next year.

## GAZETTE NEWSLETTER – Donna Hawthorne

Hi Everybody,

2020, an unusual year in many ways. I have enjoyed living here since 1980 and have had the wonderful opportunity to meet so many of you. In 2000, I reluctantly accepted the responsibility to help with advertisements for the Gazette Newsletter and 40 years later find myself still involved in the entire process. The Association's goal has been to publish three gazettes each year but this year we will probably settle for this being our second and the next issue will most likely be mailed in January. This could be a great time to recruit your help. Maybe you have a story you would like to share with other residents, suggestions to improve the Gazette, or whatever it might be, PLEASE contact us as we always appreciate receiving input from the community.

Over the years I have had the opportunity to meet so many of you by phone, at events and/or knowing you through your membership with the Association. If you recently moved to the Heights, we welcome YOU and hope your experience here will be as fun and satisfying as ours. Please consider joining the Association, attending the Annual Meeting and/or any of the events we make available. This issue of the newsletter has been a challenge with no events or meetings to write about so we reached out to cover items that we have wanted to do for a long time – just stuff happening around the neighborhood that might be amusing or informational.

We would like you to stay in touch with the Association by email – DO we have your email address? If not, please contact us and we will include you on our confidential list (your email information will NEVER be given to anyone). We send emails to inform residents of updates and notifications of what is happening in the Heights. If you are not currently receiving emails, please contact the [SAHBulletinBoard@gmail.com](mailto:SAHBulletinBoard@gmail.com) to get your name added to the list. Also, we would like you to check out the newly updated website [www.sanantonioheights.org](http://www.sanantonioheights.org) to learn more about the Association and Heights in general, or you can leave your name and phone number on the SAHA message phone 909.638.1673 – and someone will contact you as quickly as possible.

Remember our seniors! If you live near someone elderly, it would be nice if you reach out to them to make sure someone is connecting with them. Seniors get very lonely sometimes and with these CoVid restrictions, may not have family nearby, unable to attend church or most social events, and they miss interacting with people.

In March we launched [www.sanantonioheights.org](http://www.sanantonioheights.org), an updated website designed by Lisa Petschow. Please check it out and we hope you will find it useful to locate information about events, meetings, etc.

**SURVIVING  
COVID  
IN THE  
HEIGHTS**

**A Few Fun “Photos” From around the Heights**

# SAVE THE DATE

**San Antonio Heights Association**

**29th Annual Meeting**

**THURSDAY, NOVEMBER 19, 2020**

**6:30 pm Snacks/Visiting & 7:00 pm Meeting**

**Life Bible Fellowship Church**

**2426 North Euclid Avenue, Upland**

If we need to cancel the Meeting due to restrictions of CoVid-19 we will notify you by Mail, Email or Website. If you have questions or need additional information, please contact [SAHBulletinBoard@gmail.com](mailto:SAHBulletinBoard@gmail.com) or leave a message on SAHA Message Phone 909 638-1673

## **SAN ANTONIO WATER COMPANY**

### **INTERESTED IN BUYING MORE WATER SHARES**

As you all know from time to time there are inactive dormant shares that become available and are sold at SAWCO scheduled auctions. If you are interested in additional shares, you can watch for these notices as they are mailed to all shareholders. SAWCO also keeps a list of shareholders who have shares available for purchase and you can obtain that information from SAWCO.

In addition, the Association maintains a list of shareholders and/or names of interested individuals in buying shares and we can make this information available to you if you contact us at [SAHBulletinBoard@gmail.com](mailto:SAHBulletinBoard@gmail.com) or leave a message at (909) 638-1673. Currently we have three individuals who have a total of 1.50 shares that can be purchased as .25 share or .50 share.
